\*\*\*\*\*  
\* Come join the dogs for a READING GAME of FOOTBALL! \*  
\*\*\*\*\*

YOU WILL NEED : 2 football players

2 gameboard markers

a gameboard (on page 54 )

14 KICK cards (on page 55 )

14 PASS cards (on page 56 )

16 RUN cards (on page 57 )

The first Player  
to reach the  
TOUCHDOWN space,  
will WIN the  
READING FOOTBALL  
GAME!

- 1 Look at the gameboard. Two football players will race down the field for a TOUCHDOWN! They will KICK, PASS, or RUN FOR IT!
- 2 Look at the game cards. The KICK cards show words that are spelled with ck. The PASS cards show words that end in ff, ll, or ss. The RUN cards show sentences. Cut out all the cards. Put them in 3 piles, face down, on the appropriate gameboard boxes.
- 3 Player #1: Put your marker on the first KICK space. Draw a KICK card. Read all the words you see. Player #2 will check you. If you read the words correctly, COUNT THE STARS on your card and move ahead that many spaces. If you do NOT read the words correctly, STAY where you are; you will draw another card from the same deck on your next turn. Player #2: Now you do the same.
- 4 Take turns moving down the gameboard. If your marker is on a KICK space, draw and read a KICK card. If you land on a PASS space, draw and read a PASS card. If you are on a RUN space, draw and read a RUN card.
