

Dogtown's Peppermint Raffle

Win a bundle of peppermints from
Uncle Randy's Candy Pantry!

YOU WILL NEED: 2 players

a gameboard (on page 44)

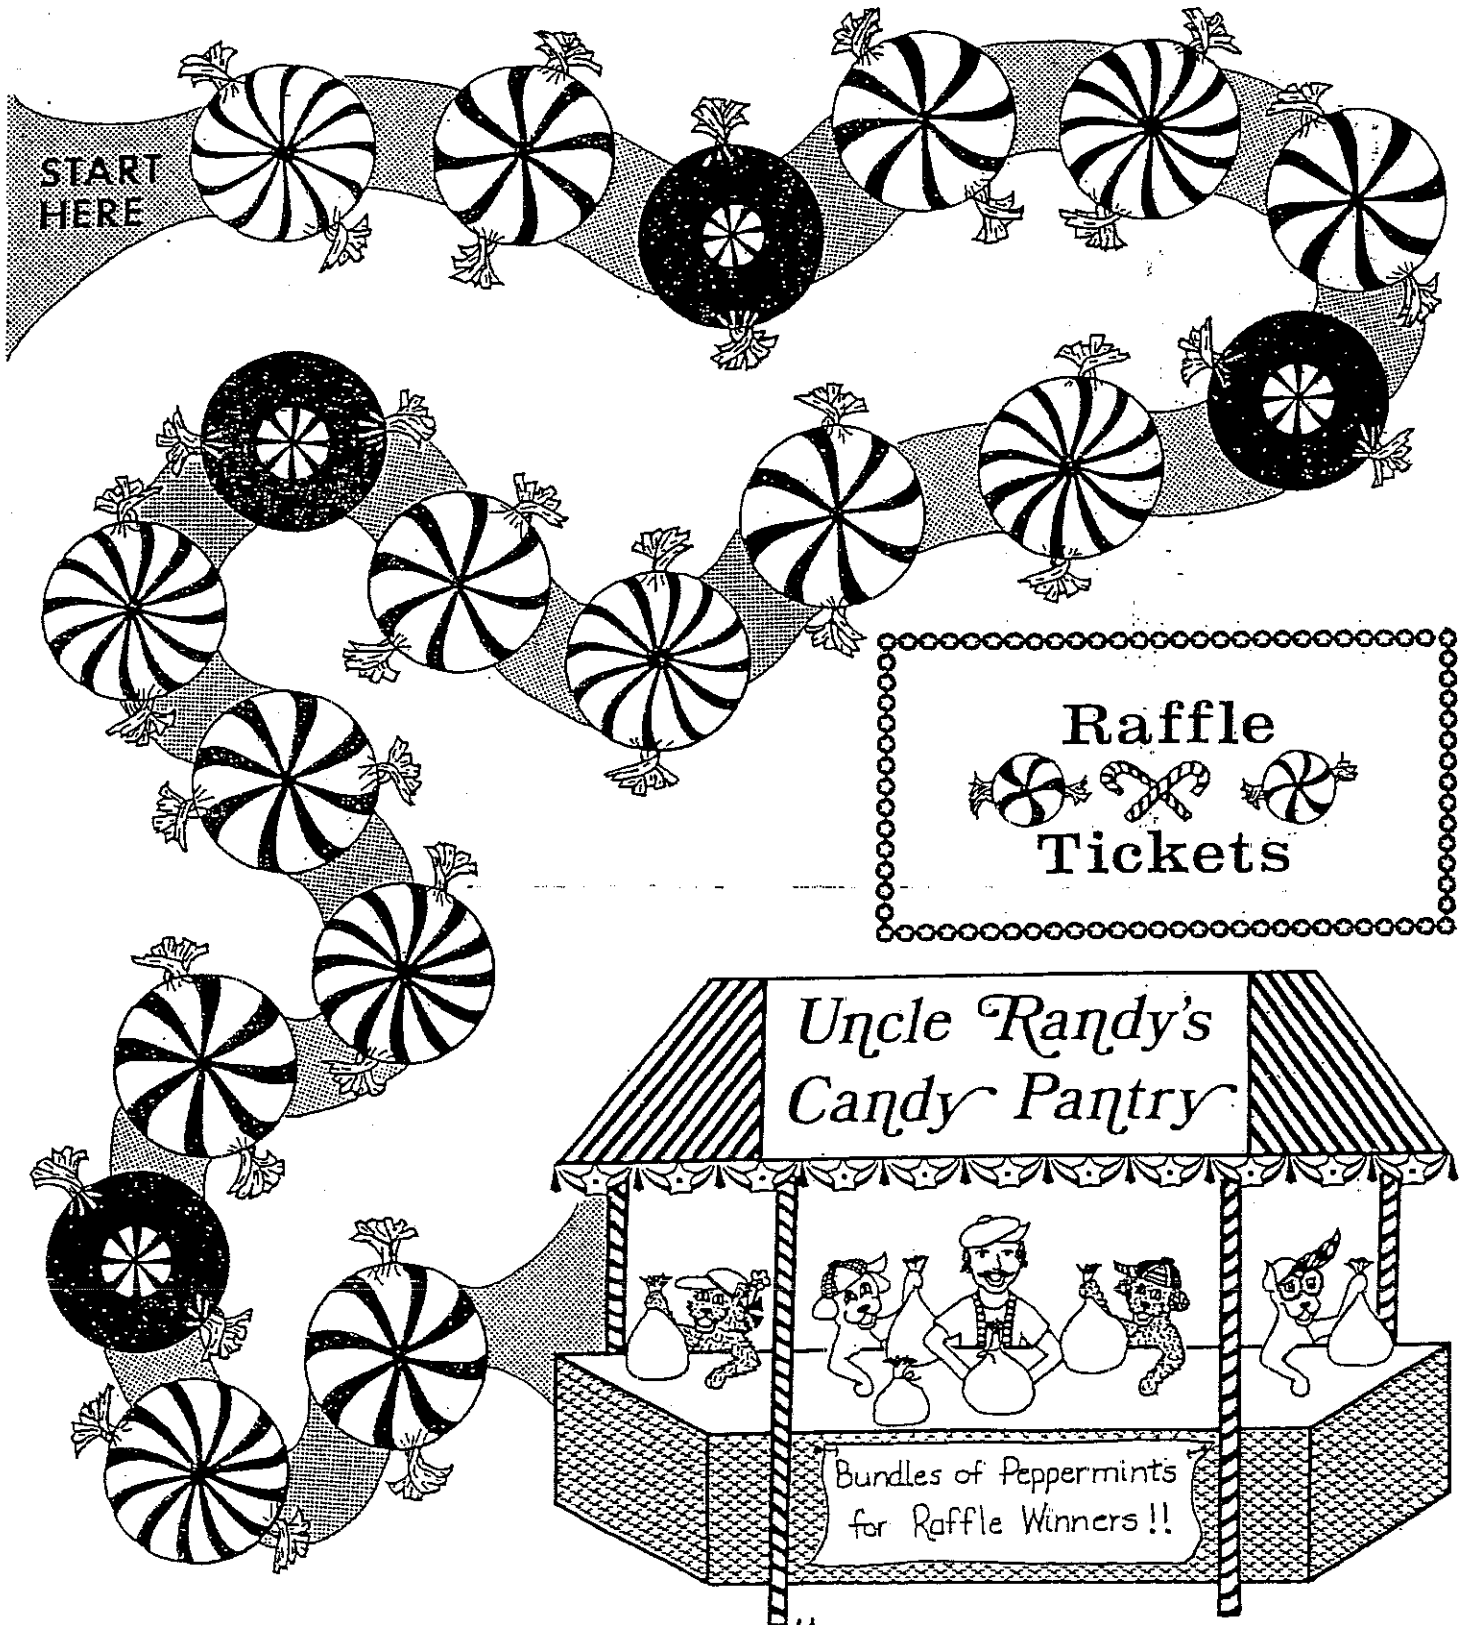

36 game cards (on pages 45 and 46)

2 gameboard markers

1. Look at the gameboard. Two players will race down the path of peppermints to win a big bundle of candies from Uncle Randy's Candy Pantry!
2. Look at the game cards. These will be your raffle tickets. Each card has a question on it. Cut out all the cards. Put them in a pile face down on the gameboard.
3. Place your game markers on the START space.
4. **Player # 1:** Draw a raffle ticket. Read the question out loud and answer it. Player #2 will check you. If the answer to your question is "YES," COUNT THE CANDIES on the card and jump ahead that many peppermints. If the answer to your question is "NO," DO NOT count the candies on the card. Instead, you will STAY where you are until your next turn. **Player # 2:** Now you do the same.
5. Take turns drawing, reading, and answering questions, one at a time. The first player to reach Uncle Randy's Candy Pantry will WIN the Dogtown Peppermint Raffle!
