On Saturday, they plan to spend a day at the beach. Linda and Benito have already bought beach chairs and swimsuits – they really expect to have fun. They both love to swim and surf. They want to get a tan, too. Later that evening, Benito would like to take Linda to an outdoor restaurant for dinner. Because Linda loves to see the sunset, she is really excited.

On Sunday, they plan to go to a baseball game. Benito loves baseball – he hopes to catch a home run ball. Even if he doesn't, he expects to have a good time.
